Summer Students

The GREAT Student Office has been processing hundreds of summer job applications over the last couple of months. We are so happy to see our community youth looking to increase their employability skills at an earlier age! For GREAT Summer Jobs alone, we have seen application numbers quadruple since last Summer, increasing from 92 to 377!!

Upcoming Events & Webinars

September 10th – Job Search Day @ GREAT Office, 10am-3pm

September 24th – Job Fair @ Six Nations Community Hall, 1-6pm

Conservancy Project

With funding from Six Nations Economic Development Trust, Kayanase was able to visit local elementary schools to teach young students about ecological restoration and gift each student with a pack of native wildflower seed packs to plant on their own at home!

New Hours

We are here to serve the community as much as we can, which is why we have extended our Greenhouse hours into the weekend from May-October.
