SEED Scholarship

Science, Education and Employment Development

As part of the SEED Agreement between Six Nations and Imperial, a scholarship is offered to students who strive for success by pursuing further education.

Scholarship details

SEED (Science Education and Employment Development) Scholarships are available to Six Nations members pursuing science, technology, engineering, and mathematics (STEM) related post-secondary education.

Scholarships are awarded annually for a minimum amount of \$2,500.

Eligibility requirements

Open to Six Nations members enrolled as full-time students in a science, technology, engineering, and mathematics (STEM) related program at a publicly funded university, college or Indigenous institute:

- Engineering, Engineering Technology, Environmental Sciences, Computer Science, Business / Commerce

Selection process

Awards will be based on:

- Academic merit
- Leadership and community involvement

More information

Students will be required to reapply for the scholarship each year. Qualified students are eligible to receive a maximum of four SEED Scholarship awards.

Contact scholarships@greatsn.com with any questions.

To apply, complete the attached application form and send your completed application package by email to:

scholarships@greatsn.com

Applications must be received by 4 p.m. November 30
